4-H Achievement Banquet/4-H Day/Promotion Committee
November 16, 2021

The Achievement Banquet/4-H Day/ Promotion Committee meeting was called to order by Chairman Dustin Rajewski at 5:30 pm on November 16, 2021. It was decided to hold election of officers at the next meeting.

Achievement Banquet- Thank you to everyone involved.

Suggestions for next year: Susan Rajewski suggested if a buyer wants to buy a basket and give it to the kids at the end of the banquet, they need to figure out another way to give the items away, maybe do a drawing. This year, the basket didn't have enough items for all the kids and the small ones and the ones standing in the very back did not receive an item. It was also suggested to wait until everything is picked up and put away before handing out the items.

Another suggestion for next year is to have project displays set up and videos describing different 4-H project areas.

4-H Day will be Sunday, March 6 at North Oak Community Church. One change was to see if the Instrumental section can be changed to have 1 from each level attend regionals instead of 1 individual total. Susan Schlichting will visit with the Regional 4-H Day committee to see if this is possible.

Lauren Schmeidler moved to have the committee set up at 12:30 and start the judging at 1pm. Khloe Haas 2nd the motion. Motion approved. Committee members provided suggestions for judges.

Susan Schlichting encouraged the members to have their clubs sign up for Model Meetings. They can sign up now to have a Model Meeting in January or February. These are recorded and shared with a judge. The winning entry advances to the regional competition.

Regional 4-H Day will be held March 25. It is unsure which county will host it.

Life Skills Judging Contest Dates for 2022:

March 6 - 4-H Day

July 13 - Pre-Fair Judging

July 19 - Foods/Hort. Entry Day (tentatively)

Kylie Dreiling will present this report to 4-H Council on December 5.

Lauren Schmeidler moved to adjourn the meeting. Lily Dickman 2nd the motion. Meeting adjourned.
