

2023 ELLIS COUNTY FAIR 4-H MARKET LIVESTOCK DRUG WITHDRAWAL FORM

In regard to the use of animal health aids, growth promotants, or other livestock substances,

I am aware that:

- Chemical substances used in livestock production, disease prevention or disease control have approved withdrawal times before slaughter.
- Information on specific use and withdrawal times can be found on product label instructions.
- Tranquilizers and other non-approved substances should not be used for food animals.

Therefore, I certify that the animals I bring to this show:

_____ Comply with legal withdrawal time in the use of one or more approved chemical substances for animal health, growth promotion or other livestock management practices.

_____ None of the cattle or other ruminants have been fed any feed containing protein derived from mammalian tissues, *e.g.* meat, blood or bone meal, not in compliance with 21 CFR 589.2000.

_____ None of the livestock have an illegal level of drug residues.

I understand that:

- A violation of approved uses of these substances may be prosecuted
- **ANY** animal at the Ellis County Fair is subject to comprehensive drug tests at the option of show management.
- The Ellis County Fair and its officers and management will not be held legally responsible.

These animals are as follows:
